EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael Schacht on March 20, 2008.

The application has been amended as follows:

Claim 1, ln. 12, -- a major portion of said plug projection extending beyond a bottom edge of said wall opening-- has been inserted after "chamber;"

Claim 4, ln. 1, "3" has been replaced by --1--.

Claim 11, ln. 12, "and the at least one wall opening is formed adjacent to the plug projection" has been deleted.

Claim 11, ln. 15, " , and the at least one wall opening is formed adjacent to the plug projection, a major portion of said plug projection extending beyond a bottom edge of said wall opening"

Claim 17, ln. 10, -- a major portion of said plug projection extending beyond a bottom edge of said wall opening-- has been inserted after "chamber;"

Claim 19, ln. 1, "18" has been replaced by --17--.

Claim 23, ln. 1, "12" has been replaced by --11--.

2. The following is an examiner's statement of reasons for allowance:

It is noted that the combination fails to teach a major portion of said plug projection extending beyond a bottom edge of said wall opening. This is shown in Fig. 4 where a major portion of projection 50 extending beyond a bottom edge of the wall opening 54.

The change in claim 11 is made to enable proper antecedent basis for "the plug projection" in addition to the recitation of the recitation of the plug projection extending beyond a bottom edge of said wall opening.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
